

KS GROUP
STEAM CLEANERS DIVISION

Floor and wall mop

Steam mop for cleaning of horizontal and vertical surfaces. It is practical, handy and you can easily apply it on our steam hose, supplied in our steam cleaner's equipment and they are available in useful kits.

Thanks to its sanitizing power, it is excellent for the cleaning of hospitals and food industry.

Transparent mouth

The transparent mouth is very efficacious for the cleaning of chairs, sofas, carpets, textiles in general, the interior of the cars, with a final result that will surprise you!

Trolley new design

Thanks to the new easy to handle trolley, our steamers become lighter and more versatile easily used by all staff.
